

Armistice Sunday + World Peace.

Mt. 5:9 - "Blessed are the peacemakers; for
they ~~is~~ they shall be called the
children of God."

Is. 32:17 the work of righteousness shall
be peace; and the effect of righteou-
ness quietness and confidence
forever."

Intro - Armistice Day, Nov. 11th, is
for the celebration of the signing of
the Versaille Treaty - Nov. 11, 1918.

When it was signed, the
world went wild with joy - for
the great war which took a toll
of 10 million battle fields and
16 million non-combatants and which
cost 200 billions of dollars, came
to an end.

To-day, after 15 yrs, Armistice
Day brings back a medley of memories,
exhilarations, regrets and dismays.
Humanity had suffered so much,
hoped so much, dreamed so much,
expecting a new age and world order -
but the ^{expected} results have not been realized.

4 The World War has not ended war.
The Versailles Treaty had not established
World Peace. Lendinsson's parliament
of man & the federation of the world
appears to be as far away dream
as ever.

Apparently the League of Nations
has been nullified; the World
Court has not settled; the Kellogg
Peace Pact outlawing War among
62 nations has been broken,
all Peace Movements so far have
failed to realize their objective.
Seemingly the Nations are arming
to the teeth, as distrustful of one
another as ever. Nations are
combining to secure balance of
power and advantages over
other nations in the old accustomed
way. The war lords and jingoes
are again having their innings.
Have the warnings and lessons
of the great War been so soon
forgotten, or have they never
been learned heeded and learned?
Will the world ever learn? Must
we always have wars?
